**II. Approve the Minutes of January 11th**

The meeting minutes were approved.

**III. Discussion of the JRD Proposal**

The committee continued discussing and editing the three JRD documents. This included the proposed changes to the Biblical and Theological Foundations of Justice, Reconciliation and Diversity proposal document, the GE Combined document and the Biblical and Theological Foundations of Justice, Reconciliation and Diversity proposal rationale document.

Committee members were asked to review the rationale document one last time and make any suggested changes by Sunday night. Once finalized Steve will draft a memo to the Board of Trustees and attach these three documents. In the memo he will note that a number of the changes made to the documents were done to address their concerns, clarify our language and reduce the repetition of phrases and words in the final documents.

**IV. Updates on the Implications of Making Serving Society a Graduation Requirement**

This item will be discussed in a future meeting.
